

## About WYTV7 Christian Broadcasters Network, Inc.

October 2015, the first commercial was aired on social media for the Charlotte, North Carolina based; newly formed ministry called **“What’s Your Testimony?(WYT)**. The ministry’s mission was to inspire and uplift its listeners by hearing “real-life” people boldly sharing their “real-life” stories about how the power of prayer turned their trials into triumphs.

**WYT** aired its first segment with Actor Reggie Hayes, who played William on the popular television show “Girlfriends”. In this live interview, Reggie shared his real-life, self-described story of *“From Rags to Riches to Rags Again”*; and how he made peace with the journey. This powerful segment was deemed a success, reaching audiences around the world. Years later, this segment continues to reaffirm the faithfulness of God and inspires listeners to holding on to their dreams.

**WYT** continued to air thought-provoking segments about faith and empowerment with a concentration on reaching specific targeted audiences. They soon realized that their scope should be broaden and shared worldwide. As a result, the **WYT** Executive Producer and Board of Directors restructured the organization and reassessed the scope of its VISION.

Early in 2016, **WYT** relaunched as **WYTV7, Christian Broadcasters Network, Inc. (WYTV7)** with a new VISION. The new VISION promoted faith, education, encouragement, and empowerment to ALL people wherever they were around the world. Not only did the VISION expand, WYTV7 also connected with new Broadcast Hosts. The new Broadcasters spoke on a variety of topics; which were aired live from North Carolina, California, Georgia and Kansas. Segment were recorded and made available via podcasts. Later that year, **WYTV7** became a Non-profit, 501c3 Charitable, Educational, Broadcasting Network and incorporate additional segments regarding health, wellness, marriage, finances, and relationships to further support its expanded VISION.

In 2017, WYTV7 continued fine tuning its program segments. The interview segments are now managed by a diverse group of talented Broadcaster personalities. The Broadcasters conduct real-time interviews with guests who share their stories of triumph over hardship; while acknowledging the grace and power of God.

Interview topics are intended to educate the listening audience on a variety of relational subjects such as Domestic Violence, Cancer, Death, Life Decisions, Depression, Family, Finances, Love, Racism, Marriage, Addictions, Human Trafficking, At Risk, Divorce, Healing, Self Improvement, Bullying, Youth Empowerment, Suicide, Rehab, Health & Wellness, Nutrition, and more.

Today, **WYTV7** is at the forefront of Broadcast/Podcast forums on Social Media. **WYTV7** has exploded in growth from *one (1) broadcast segment to fifty-two( 52) segments* airing around the globe, both domestically and internationally.

The Founder and Executive Director/Producer of **WYTV7**, Libby Grier, recently shared her thoughts on the reason for the growth and success of **WYTV7**. The bible says that *“faith without works is dead”* (James 2:14-26), therefore... *“when she heard the call, she took action, and just did it.* She further explains, *“The secret to success is to remain focused on the vision and just .. Do it! Do it! Do it!”* **WYTV7’s** mantra is *“ONE person at a time”*. Its objective is *“to draw people ONE step closer to the mark”*. And, its strategy for success is to create a platform that *“Continually gives ALL the Glory to God!”*

**WYTV7** and its Broadcasters provide workshops, seminar, scholarships and participates in charitable events within the community. They are always looking for amazing stories that are *intentionally* meant to educate, empower and encourage others.
